Case No. [18-cv-06743-SK](#)

**ORDER DENYING STIPULATION  
REGARDING SCHEDULE AND  
SETTING FURTHER CASE  
MANAGEMENT CONFERENCE**

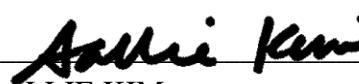

Regarding Docket No. 224

12  
13 The parties filed a stipulation to extend the deadlines for expert discovery, to stagger the  
14 disclosure deadlines for Plaintiff and Defendants, and to set the close of discovery for a date after  
15 Plaintiff's deadline to file a motion for class certification. The Court DENIES the stipulation but  
16 does so without prejudice. The parties may submit a revised schedule which sets the close of  
17 discovery before the deadline to file a motion for class certification. Additionally, the parties shall  
18 provide a justification for staggering Plaintiff's and Defendants' disclosure obligations.  
19 Moreover, the parties are admonished that they are required to email their proposed orders in  
20 Microsoft Word format to [skpo@cand.uscourts.gov](mailto:skpo@cand.uscourts.gov).

21 The Court HEREBY SETS a further case management conference for October 4, 2021 at  
22 9:30, following the hearing on Plaintiff's motion for leave to amend. The parties shall meet and  
23 confer and submit a further case management conference with any proposed schedule changes by  
24 no later than September 27, 2021

25 **IT IS SO ORDERED.**
